A THOUGHT

Let another man praise thee, and not thine own mouth; a stranger, and not thine own lips. —Proverbs 27:2.

There is nothing lighter than vain praise.—William Drummond.

Following their successful opposition to the limitation of debate on the tariff bill, the Democrats talk about "the gag that failed." But the American people will hardly call it a "gag." The debate has been going on for weeks and the Republicans proposed to make effective a rule which would thereafter limit each Senator to an address of one hour—96 hours in all, or nearly 20 days of 5 hours each. That is not a "gag" but merely a reasonable effort to get action.

THE TRANSPORTATION ACT

The wisdom of the framers of the Transportation Act of 1920 has never been more apparent than in the present railroad situation. The whole purpose of the act was to serve the public welfare, and it is so stated several times therein. Machinery, in the shape of the Railroad Labor Board, was constituted to hear and determine controversies relating to wages and conditions of employment of rail workers. It was hoped that the Board through its decisions, would be able to avert any interruption to traffic caused by dissatisfied employees.

BERTON BRALEY'S DAILY POEM

KISSES

By Berton Braley

I WOULDN'T be too free with my kisses,
Little Lady,
Though a kiss is very sweet to give or take;
For perhaps some later need than this is,
Little Lady,
You will wish you'd saved them all for Someone's sake.
Though a kiss is nothing wrong
When the Right Man comes along.
You'll remember how you gave them for a whim.
And if you have been too free with your kisses,
Little Lady,
You'll regret you haven't hoarded them for him!

I WOULDN'T be too free with my kisses,
Little Lady,
They are coinage from the treasure house of love;
They are coinage from the treasure house of love;
Little Lady,
Which have fluttered down from Paradise above.
So I'd cherish them until
You can taste the perfect thrill
When love's marvelous enchantment binds you fast,
And I wouldn't be too free with my kisses,
Little Lady,
Till the Right Man comes to gather them at last!

(Copyright, 1922 NEA Service)

but, in the event that transportation should be disorganized in spite of the efforts of the Board the framers of the law clothed the Interstate Commerce Commission with full and complete authority to take control of any situation that might develop and administer the railroad system of the country in the interests of the people. The clauses conferring that authority are broad enough to cover any emergency that is likely to be met. In brief they are as follows:

"Whenever the Commission is of opinion that shortage of equipment, congestion of traffic, or other emergency requiring immediate action exists in any section of the country, the Commission shall have, and it is hereby given, the authority . . . to suspend the operation of any or all rules . . . with respect to car service . . . to make such just and reasonable directions with respect to car service without regard to the ownership as between carriers of locomotives, cars, and other vehicles, during such emergency as in its opinion will best promote the service in the interest of the public and the commerce of the people . . . to require such joint or common use of terminals . . . and to give directions for preference or priority in transportation, embargoes, or movement of traffic." Furthermore, when any carrier is "for any reason" unable to transport the traffic offered it, the Commission may take charge and give directions for handling the traffic so as best to serve the public.

Another experiment of releasing penitentiary prisoners and putting them on their honor for a period of six months with promise of pardon at the expiration of that period of good conduct is being tried out in Michigan. The warden has no doubt of the success of the humane plan.

Men who commit offenses and go to the penitentiary should be given another chance, but just what some of the men who are under sentence that will not normally expire for ten or twelve years will do if they are returned to society in six months' time, remains to be seen. The success of the plan must be proved not by promises or expectations but by the record.

The leaders of the railroad shop men have approved the presidents proposal for a compromise. The railroad executives had previously turned down the plan. Now it remains to be seen whether they will recede from their position and approve the Harding peace plan, as he puts it "in the interest of public welfare."

There is a strong sentiment in some quarters for "fighting it out" but after all, that plan will get nowhere, and eventually there must be a compromise.

Talking about compromise for the benefit of the public, should not that be done in the coal controversy? Miners and operators

are seemingly deadlocked. Meanwhile the season is advancing and if any interests are suffering it is the interests of the millions of consumers dependent upon the few hundred thousand miners and operators. Why not compromise the matter now, since fall and winter weather are approaching, with an agreement for another year.

The government might well urge a compromise and do it with the unannounced but firm determination that before another year expires a plan shall be evolved for the control of the mining industry in the interest of the public, a plan which will make impossible a recurrence of the present situation.

SCOTT COUNTY MAN IS CALLED BY DEATH

George Workman Passed Away After Illness of Typhoid Fever —Other News Items from Winchester.

Winchester, Aug. 2.—George Workman passed away Tuesday afternoon at his home west of town, after a brief illness of typhoid fever. The remains were taken to Decatur Wednesday, accompanied by C. M. Danner and Mrs. Workman and family and Mr. and Mrs. Frederick.

The deceased removed to Winchester from Decatur about four years ago and during his residence in this community has made a large number of friends, all of whom are sorry to know of his death.

Mr. and Mrs. Paul Nelson and little son of Chicago arrived Tuesday night for a visit with the former's parents, Mr. and Mrs. P. R. Nelson. His father and Guy Paul met them in Jacksonville.

The Methodist people were very busy Wednesday afternoon preparing for their annual picnic which is to be held Thursday. This is always one of the leading events of the season in this community.

Mrs. Mary Clark passed away Sunday night at the home of her daughter, Mrs. Lyall Hoots, near the levee. The deceased had been ill for many months and death was not unexpected.

The funeral was held at the home Tuesday morning at ten o'clock and a short service was later held at the Winchester cemetery. Elder Homer Evans was in charge of the services.

Dr. J. W. Eckman was a professional visitor in Jacksonville Wednesday.

Rev. H. D. Trickey arrived Tuesday from Argenta to join his family here for a vacation visit. They have shipped their household goods to Logansport, Ind., where Mr. Trickey has accepted the pastorate of the West Side Presbyterian church. The family will leave for their new home about September 1.

COMING CARNIVAL LARGE ORGANIZATION

The Greater Alamo Shows which as already announced, will arrive in Jacksonville Sunday to remain one week under the auspices of the American Legion, travels in a special train of thirty cars. There are about fifty wagons, many horses and ponies and about two hundred people in the organization, forming a well balanced entertaining aggregation.

Among the many features that will interest are Dick Cavill and his family of swimmers and divers; the Superba show headed by Etta Blake, Tex Mex and his band of cowboy and cowgirl rough riders; the monkey, speed-wheel, and numerous others. There will be of course the usual ferris wheel and merry-go-round.

A leading feature of the Alamo Shows is Captain Miller's band. The band will be heard in the business district at various times during the stay of the show in town, and as a special attraction will give a free sacred concert at Nichols park Sunday evening beginning at eight o'clock.

The shows will be stationed in the athletic field at the School for the Deaf, the American Legion post of Jacksonville in charge. The Legion will have a fair share of the proceeds which will go towards the establishment of a permanent home in Jacksonville.

J. W. C. ALUMNAE PUBLICATION OUT

First Number of Illinois Womans College Alumnae Paper Was Issued Yesterday.

"The Alumnae News" the new official organ of Illinois Womans College Alumnae association made its appearance yesterday. The paper was founded to bind the Alumnae closer together. It consists of four pages and will be published four times a year. The paper is headed by an editorial by the President of the association, Miss Vera Wardner. An article on loyalty to the college is featured and was written by Mrs. Emily Jane Fay of this city. The 1922 re-union was reported and a plea for a greater re-union in 1923 was made by Mrs. Alice Applebee. A letter from the secretary of the association in Los Angeles, and numerous birth, death, and marriage announcements concluded this issue.

Miss Esther Davis has been filling the position of local secretary of the association. The other officers are:

Vera Wardner, president; Hildreth Ashwood, first vice president; Mrs. Hileeo McCutcheon Thompson, second vice president; Mrs. Annette Rearick Lohman, recording secretary; Lois Coultas, corresponding secretary; Mrs. Louise Moore Gilbert, treasurer; Mrs. Aloise Wadsworth Applebee, Mrs. Nannie B. Botkin, Miss Nelle Taylor, Miss Irene Merrill.

ANNUAL FARM BUREAU PICNIC AT PITTSFIELD

The third annual gathering of the Farm Bureau families, together with their friends and relatives is staged for Pittsfield, August 16th and promises to be one of the largest and most enjoyable of any of the picnics yet held by the Bureau. Two years ago the Farm Bureau picnic at Griggsville entertained about 8,000 people at a big fish fry. Last year Barry Citizens entertained a crowd estimated at 10,000 with a famous Kentucky Burgoo soup dinner. The committee of the Farm Bureau together with the citizens of Pittsfield realize that the first two picnics were record breakers and are therefore rendering every effort to uphold the splendid record which has already been established by the neighboring towns of Griggsville and Barry.

The picnic this year will be something new. The committee has gone to considerable expense in securing one of the best bands in the state, the Illinois State Band of Quincy, who have promised us continual music from morning until night.

The Horse Shoe Pitching Contest this year will have added interest due to the fact that a splendid challenge trophy is to be awarded to the Farm Bureau council winning the contest. This trophy is to be held one year by the winning council and remains the property of the Farm Bureau until it is won three times by some one community. Pitching this year is limited to Farm Bureau members only and it is expected that some of the best athletes of the county will be on hand to participate. George Weaver will be in charge.

LeRoy Hess of Rushville journeyed to this city yesterday.

GOOD PROGRESS IS MADE IN FARM WORK

Rain Delayed It Somewhat in North Central States—Corn Receives Considerable Benefit From Rains.

WASHINGTON, Aug. 2.—Farm work generally made good progress during the week ending Aug. 1, except where delayed by heavy rainfall, as chiefly in north central states according to the weekly weather and crop review issued today by the department of agriculture. In need of moisture the report said that the far southwest and the section extending southward from the low or great plains.

Threshing of small grains progressed favorably east of the Mississippi river and harvesting of late grain went forward rapidly in the far northwest the review said, but this work was retarded by rain in many sections of the North Central states and some injury to grain in shock was experienced in parts of Mississippi Valley.

The condition of Spring wheat in Minnesota was generally fair despite small damage from hail and variable process. A fair yield of good to excellent quality was reported in South Dakota. Corn received considerable benefit from the rains in the upper Mississippi Valley, much of the great plains and sections of the Ohio Valley the report showed, the lack of moisture was felt in the lower great plains, Texas and other southern districts.

Fair weather furthered harvesting of oats and barley in the Northeastern states and threshing progressed in the Ohio Valley, where yields were generally disappointing. Wet weather caused much oats in shock in Iowa to mould, rot or sprout.

ELLIOTT STATE BANK Savings Deposits made during first TEN days of AUGUST will bear interest from the FIRST of the month.

ASBURY BURGEO PICNIC DRAWS LARGE CROWD

The Purgoo Picnic held by the Asbury Methodist church yesterday afternoon was a success in every way. Perfect weather conditions justified hundreds of people from neighboring towns and farms in getting their share of a luxurious repast. The crowd was estimated at over five hundred.

Also no definite program was outlined a fine time was enjoyed by all who attended. The menu consisted of soup, ice tea, cake, coffee and sandwiches.

MR. AND MRS. BRADLEY HERE

Mr. and Mrs. Henry Bradley of White Hall are guests at the home of Mr. and Mrs. J. L. Dunnaway of 324 South Clay avenue. Mrs. Dunnaway and her granddaughter, Margaret Lee, will return to White Hall with them. Mr. Bradley expects to accept a position with the construction company at the state hospital.

VISITING CONOVERS

Mr. and Mrs. Lee Conover of Cedar Rapids, Iowa, former residents of this city are guests at the home of J. N. Conover of Webster avenue.

VISITORS FROM CALIFORNIA HERE

Mr. and Mrs. J. B. Dedrich of Los Angeles have arrived in Jacksonville for a visit with Mrs. Dedrich's mother, Mrs. Mary DeCastro of 830 North Prairie street. The Dedrichs made the trip to Jacksonville by automobile leaving Los Angeles, June 13th. Several stops were made along the route and they visited for a time with Mrs. Dedrich's sister, Mrs. Nora Eastlack at New Sharon, Iowa. They expect to visit at the home of Mrs. DeCastro for three weeks and will go from here to Shreveport, Alabama to visit with Harvey DeCastro, a brother of Mrs. Dedrich. Mrs. Dedrich before her marriage was Miss Sadie DeCastro and for a number of years was a teacher in the public schools and at the Illinois School for the Deaf.

Mr. Dedrich expects to go to Springfield tomorrow for a two days' visit with his parents.

DERIVATION OF NAMES

A gentleman from Pike county says that the village of Atlas was at one time the county seat and the county embraced an immense territory. He said its name came from an early settler who had

roamed about a great deal and last found a place he liked and called it At Last and later it was changed to Atlas.
An Indian who had never seen a lake steamer once, at an early day, was where a settlement was started. A steamer went by and he hardly knew what to make of it. He had seen a steam sawm and finally exclaimed "M'walkee." Hence the name of the village and new city.

LIEUT. F. B. LOGAN, Cartoonist

Lieut. Logan whiled away his time in France sketching the doughboys, the French peasants, and the little out-of-the-ordinary things he saw around Paris, Le Mons and other places. Before enlisting he was a newspaper cartoonist. Consequently his pictures sensed the spirit of the soldier in his many moods. His fame spread, he was made cartoonist for the Le Mons Bulletin and the soldier editors grabbed everything he would draw for them.

Logan could talk too for he had Chautauqued before the war. Soon he was in great demand as a chalk-talk artist and he became one of the busiest men in the army.

Only part of his program will be devoted to the war. He will show the little humorous side-

lights of the life of the soldier and draw the funny side of the war" as he saw it. These sketches sparkle with keen irony and humor. His program is a big one. Splendid color effects are produced with lightning rapidity. Logan works fast and talks as he works.

Lieut. Logan comes to Chautauqua on the evening of the first day Friday, August 11. He will be preceded by Brown's Jubilee Singers and that will be some Chautauqua evening. In fact the first days program is about as good as they make them for in the afternoon the Jubilee prelude U. S. Senator Pat Harrison of Mississippi who brings with him his complete outfit of wit and humor.

POLICE MAKE HAUL OF "WHITE MULE"

Called to Quell Family Quarrel
Hauled Van Stice—Captured Seven Gallons of Liquor and Ten Pints of Home Brew.

Police called yesterday afternoon to quell a family quarrel at the residence of Van Stice, 330 Fulton street, made a rich haul when they captured about seven gallons of "White Mule" and ten pints of home brew. According to the officers there were several batches of home brew in the making which was not disturbed.

When word was received of the Chief Kiloran, with officers, McGinnis, Williams and Blue made a hurried trip to the Stice residence. On their arrival the fight was all over.

Chief Kiloran said, was the result of interference by two Wabash trappers who were close by. The trappers saw Stice beating his wife in the street and took a hand in the matter. According to Chief Kiloran they handled Stice in a rough manner. Mrs. Stice also was the recipient of a bloody nose, the chief said.

It is said Stice also whipped his mother-in-law Mrs. Bertha Sparks.

Chief Kiloran said that Mrs. Stice refused to get out a warrant against her husband charging assault and battery. This sort of "trial" the chief and he went before Justice Opperman and had a search and seizure warrant issued.

Officer McGinnis was left at the house to prevent the destruction of any evidence that might be inside while the other officers took Stice to the station where he was locked up.

Upon returning to the Stice home, Officer Williams gained entrance thru a window. He let the other officers in and the "White Mule" and "Home Brew" was discovered. There was a five gallon water bottle containing about three gallons of mule, a three gallon jug and a one gallon jug.

The liquor and bottled home brew was taken to the station and will be used in the trial of Stice. He will be taken before Justice Opperman today to face a charge of unlawful possession of liquor. The officers dumped out the brew that was in the making.

Chief Kiloran said yesterday that he had had many complaints about Stice recently from people who live in the vicinity of Fulton street. He stated that he was going to make every effort to eliminate the condition that has existed.

GOVERNMENT ACTION HELD IN ABEYANCE

(By The Associated Press) WASHINGTON, Aug. 2.—Further government action in the railroad strike was held in abeyance today, altho railroad executives who refused President Harding's suggestions for settlement yesterday were understood to have agreed administration agencies that the door still was open for negotiations.

If protection in seniority status acquired by shophmen who have continued to work in spite of the strike could be guaranteed, any basis of settlement the president might find fair, would be favorably considered by the manage-

ments, it was said. Tentative negotiations today, it was added, had brought no immediate tangible results.

The president was said to be awaiting the text of the reply which union leaders at Chicago were drafting to his settlement proposals. Secretary Hoover who attended the session of the road executives at New York saw Mr. Harding on his return today, but said that no immediate governmental steps were to be expected.

Other cabinet members who saw the president for discussion of strike matters indicated the feeling that claims of railroad managers as to their ability to maintain transportation would get a test during the next few days. These officials left the inference that if the strike demonstrated symptoms of dissolution as predicted by the carriers, the president might not move again.

It was again emphasized that the nation's necessity for at least a minimum coal supply had largely governed the president's action in the rail strike to date and would continue to do so.

WIDELY KNOWN CLERGYMAN DEAD

Seattle, Wn., Aug. 2.—The Rev. S. Cameron Morrison, widely known Episcopal clergyman, died today, and the coroner is investigating to determine if he drank poison handed him by mistake when he sought to purchase cough medicine. He leaves a widow, an adopted daughter and a brother who is bishop resident at Dubuque, Iowa.

FORD'S FLIVVER RUNS TOO FAST

Leroy, N. Y., Aug. 2.—Henry Ford paid a \$30 fine into the village treasury yesterday afternoon as a penalty for violating the speed ordinance when passing thru Leroy in his large touring car.

Mr. Ford said he was trying to make the evening boat at Buffalo for Detroit.

Mr. and Mrs. William Saner and son William, accompanied by Frank McKinney and Charles Cobb, motored to Springfield yesterday and spent the day.

GO TO WISCONSIN

Mrs. J. H. O'Donnell and Miss Anna Harmon have gone to Milwaukee, Wis., to spend three or four weeks.

Howard Zahn returned last evening from St. Louis where he attended a dealers' convention at the Buick Motor company.

Raymond Funk of Winchester was a visitor among friends in the city last evening.

INTER-CITY TOUR ROUTE IN FINE SHAPE

W. A. Berryman on Trip Yesterday Found County Residents Preparing Cordial Welcome for Travelers From Jacksonville.

W. A. Berryman, chairman of the inter-city tour committee of the Chamber of Commerce accompanied by Harold Dunlap, drove over the proposed itinerary for the first tour yesterday. Mr. Berryman and Mr. Dunlap left Jacksonville about noon and were back in Jacksonville at 5 o'clock.

Mr. Berryman said last night his speedometer showed a total distance to be within a half of a mile of that originally computed. The roadway for the entire distance is in excellent condition, nearly all oiled.

The people of Waverly, where dinner is to be served, are making extensive preparations for welcoming the Jacksonville people. A band concert will be given and there will be various means of entertainment. In all of the towns where stops are to be made, the Jacksonville tourists are promised a cordial welcome at Alexander, Franklin, Waverly, Nortonville, Murrayville and Woodson.

The only change in the route decided upon is that the tourists will return to Franklin from Waverly on the way to Nortonville, as a better road is available in that way.

The inter-city committee is actively at work in connection with the project and the expectation is that a large number of cars will make the trip.

LOCAL COMPANY PLANS REBUILDING PROGRAM

Illinois Telephone Co. to Issue \$120,000 in Bonds for Rebuilding and Repair Work in Various Localities.

The directors of the Illinois Telephone Co. held a meeting Wednesday afternoon and authorized the issuing of bonds in the sum of \$120,000. Later the stockholders of the company met and ratified the action of the directors.

This bond issue, which was authenticated by the Illinois Commerce Commission within the past few days, is to enable the company to carry on an extensive rebuilding program, including the rehabilitation of the plants at Roodhouse, Carrollton and Bluffs. There will also be some repair work at Manchester and partial rebuilding of the plant at Murrayville.

The company now has four and two fifths miles of underground cable in this city and the plans now being made provide for the extension of this conduit work on West College avenue and east toward Hardin avenue. It is the company's expectation to extend this underground work as far as possible this year and then each year to add to it as finances will permit.

There will also be some underground work at Roodhouse and possibly some at Carrollton, but the extent to which this expensive type of improvement is carried has not yet been fully determined.

The company's lines were badly crippled by the severe sleet storm of last December, the loss figured at something more than \$40,000, and the damage done at that time has never been fully repaired. However, the extensive rebuilding program which is now being mapped out will put the company's property into far better condition than has ever been the case in the past.

The Jacksonville patrons of the company will be interested in knowing that the new directories will be put on the press the latter part of this week. The switchboard cut-over has now been completed and the work in connection with the re-classification and re-numbering of telephones is also finished.

WILL TAKE TRIP TO WESTERN COAST

Mr. and Mrs. H. M. Andre and daughter, Miss Eleanor, are expected to leave Jacksonville next Monday night for a trip to the coast. They are to spend a week or two with relatives of Mrs. Andre in California and then go to Portland, where Mr. Andre is a delegate to the general convention of the Episcopal church. This convention assembles every three years and brings together nearly 10,000 delegates.

From this district four clerical and four lay delegates are authorized. The four lay delegates are representatives of Jacksonville, Springfield, Danville and Cairo. The convention meets early in September and sessions continue for nearly three weeks.

VISITORS FROM NEW MEXICO

H. B. Henning, president of the company publishing the Albuquerque (New Mexico) Herald, with his two sons was a visitor in Jacksonville yesterday. Mr. Henning was in Chicago on business and came to Jacksonville for sentimental reasons, that his boys might see the earlier home of their mother, who before her marriage was Miss Virginia Hockenhull, a daughter of the late Robert M. Hockenhull.

The boys, now ten and twelve years of age, were here when quite small and so had very little recollection of their earlier visit. Mr. Henning said that the boys constantly marveled at the great trees, for down in New Mexico they were accustomed to see only an occasional tree and then not of the grand type that Jacksonville boasts.

Mr. and Mrs. E. C. Kershaw of Winchester motored to the city Wednesday.

BERLIN IS RESUMING PRE-WAR POSITION

German City Is Again Ranked as Diplomatic and Consular Center—Fifty-Eight Countries Now Represented There Diplomatically.

Berlin.—(By The A. P.)—Berlin rapidly resuming its pre-war position as a diplomatic and consular center and there are today 51 such posts here, representing 58 countries, as compared with the handful of neutral and Central European representatives which remained during the war. The present diplomatic personnel numbers some 2,000 to which the United States, Russia and Afghanistan are the most recent contributors.

The legation of Siam is the only pre-war post which has voluntarily not been reestablished. Peace was concluded with that country at the signing of the Versailles treaty, but a separate agreement still is pending. However, the Turkish embassy, which remained during the war, was dropped in accordance with the demands of the Entente and that country's interests here are now being handled by the Swiss Confederation.

The outcome of the war is further reflected in the changed representation of that territory which formerly comprised Austria-Hungary. While it formerly was entirely under one embassy, since May 1, 1919 there has been a legation each for Germany, Austria, Hungary, and Czechoslovakia.

Altogether Germany now finds herself, after the elapse of three years since the signing of the Versailles treaty, with virtually all of her former relations resumed and a number of new ones undertaken. The total representation includes six embassies, 29 legations, one nunciature, five charges des affaires, and two diplomatic posts with heads who hold no definite rank. There are 32 independent consulates and consular representatives in eight legations, besides representatives of eight powers whose official designation has not yet been established. A few of the smaller powers merely have consuls at Hamburg.

During the war there were only three embassies in Berlin: those of Austria-Hungary, Spain and Turkey, besides 10 legations all of which had consulates corresponding. There were also the naval representative, commercial offices of Luxemburg and San Domingo, and the consulate-general of Paraguay.

Great Britain resumed diplomatic relations with Germany January 13, 1920, and most of the other powers followed in quick succession.

William Schoff of Beardstown transacted business among the merchants of the city yesterday.

Allan Griswold of White Hall was among the shoppers in the city yesterday.

WOMEN ADOPT COLORS FOR COUNTY FAIR

Green and White Designated Officially—Workers in Various Departments Met for Conference Wednesday Afternoon.

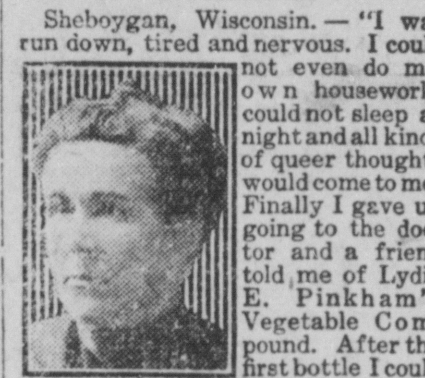

Women in charge of various departments of the Morgan county fair with their associate workers met at the home of Mrs. W. S. Jones on the Mound road Wednesday afternoon to talk over fair plans. Fern green and white were chosen as the official colors for the fair and other details of equal interest were considered.

Harold Welch discussed various systems of making exhibits and one was chosen which the women believe will be satisfactory to both exhibitors and the public. Show cases have been secured without cost from the Coover Drug Co., Ehnie & Pro. and the Smith Hardware store. The plans for all the women's departments are to be presented in the fair colors.

After business had been disposed of there was a social hour during which Mrs. Jones served

QUEER FEELINGS AT MIDDLE AGE

Women Should Know how Lydia E. Pinkham's Vegetable Compound Helps at This Trying Period

Sheboygan, Wisconsin.—"I was run down, tired and nervous. I could not even do my own housework, could not sleep at night and all kinds of queer thoughts would come to me. Finally I gave up going to the doctor and a friend told me of Lydia E. Pinkham's Vegetable Compound. After the first bottle I could sleep better and I have kept on improving ever since. I have taken seven bottles now and am so happy that I am all over these bad feelings."

—Mrs. B. LANSER, 1639 N. 3rd St., Sheboygan, Wisconsin.

For the woman entering middle age Lydia E. Pinkham's Vegetable Compound can be of much benefit. During this time of life certain changes take place which sometimes develop into serious trouble.

How I Got Rid of Burning Feet

And Pains from Corns and Bunions Without Soaking, Powders, Plasters, Etc., After Suffering Indescribable Foot Misery for 20 Years.

"Prof. F. T. McIntyre, well known world tourist and lecturer, says: 'For years I was compelled to wear shoes two sizes too large, to be able to walk with any comfort at all. I tried soaking my feet in medicated baths, powders, plasters and foot-treatments galore, but the burning callouses and soreness refused to go, while the pains from corns and bunions continued to torture both mind and body, which upset my entire nervous system. One day, very fortunately, I met a lady from Egypt who gave me a little box of Gypsy Foot Relief, which she said was a secret from the desert. After using it a short time, the awful burning stopped, the callouses came off in chunks, leaving the skin of my feet clean and smooth, while the pains from corns and bunions seemed to disappear as if by magic. From that time, I said a joyful goodbye to over 20 years of indescribable foot misery. I would not take a hundred thousand dollars to again go through those years of agony. Now I feel like telling every foot sufferer to get a box of the wonderful Gypsy Foot Relief.'"

Note.—Gypsy Foot Relief, referred to by Mr. McIntyre, may be applied in a minute, without fuss or bother. Sure, quick relief comes three minutes later, or the makers give back the small amount you pay. It is sold in this city by Armstrong Drug Co., Coover Drug Co., J. F. Shrave,

NORTH SIDERS WIN BALL GAME AT ARENZVILLE

Arenzville, Aug. 2.—An enormous crowd witnessed the third and last of a series of ball games between North Side Merchants and South Side Merchants and Business Men, held on Sunday afternoon, July 30 at the Witte ball diamond, one mile east of town.

Interest in this game was brought to a peak when at the previous game the South Siders won. Up to this time each side had won a game. Since this score was unsatisfactory, the third game had to be staged, and such was the occasion for the game on Sunday afternoon. The North Siders won by a score of 6-4, this being the best game of the season.

Those playing on the North team were R. J. Ommen, John Stock, Ed Nicol, Wm. Van Heek, Robert Hierman, Everett Mackey, Otto Lovelkamp, Oscar Nieman, Chelsea Houston.

The South team numbered among the players Fred Thyen, Sam Gill, John Lovelkamp, Jack Durand, Paul Bates, Russell Naylor, Ben Arenz, Henry Naylor and Dale Beard.

Chautauqua Aug. 7-11.

The Mutual-Morgan Chautauqua Bureau has just finished its five day programs at Pleasant Plains. The programs at Virginia are on at the present time and next Monday, Aug. 7, the Arenzville Chautauqua begins.

The junior supervisor has already arrived and she with the assistance of Mrs. Wanda Proudfoot of this place will have charge of the junior work.

The first day's program is an interesting one. The Wales Players will produce "The Shepherd of the Hills" by Harold Bell Wright. This will be staged in the evening only.

All other programs will be given both afternoons and evenings. Cleaver's Gypsies, a customized quintet of exceptional singers with a repertoire of pleasing variety and sterling quality, will give an entertainment in the afternoon and recital in the evening. Also Professor M. H. Johnson will lecture in the afternoon on "Heather and Shamrock" and in the evening the title of his lecture is "Squeaks in the Social Machinery."

On the third day the Landes brass quintet will give the musical program, while Chaplain James Small will lecture in the afternoon on "Laughter and Tears." The fifth day brings the Welsh Lady Glee Singers, a concert company. In the afternoon Nellie Snider will read "Helen of the Old House" and in the evening, Martha Trimble will lecture on "Such a Time as This." On the fifth and last day the Schubert Ladies' Quartet will give the entertainment, while Marion Simms, Ph. D., will lecture in the afternoon on "The Rainy Day" and in the evening on "The Calf Path." A junior program will be given on the last evening by the local children.

No one can afford to miss such an excellent program, and also such a chance to boost the old home town. Buy your season tickets early.

Take Vicks on Your Vacation

You don't know how many ills Vicks is good for

Nearly everybody uses Vicks for cold troubles, asthma, hay fever, catarrh or tonsillitis. These are inflammations of the air passages. But we forget that it's just as good for inflammations of the skin or tissues.

Take the familiar blue jar on your vacation and try it for—

SUNBURN—Prevents and heals.

BRUISES—SPRAINS—Use like a liniment.

BITES—STINGS—Drives mosquitoes away, soothes bites.

POISON OAK or poison ivy.

THE NETTLE FAMILY Musical Entertainers

Rudolph Nettle and his children, Belle, Henry, Eugene and Eunice are a Chautauqua novelty and real joy feature. They charm their audiences with original programs including sketches in costume, vocal and instrumental quartettes and solos, pianologues, character dances, all artistically rendered. Their musical selections from the classics and their humorous sketches are equally well done. All the young folks—the grown-ups, as well as the children—will certainly enjoy the Nettles.

The Nettle Family comes to Chautauqua on Tuesday, the 15th, and look who comes the same day—Ada Ward, that fiery, eloquent and humorous little English woman who is rated as one of the most popular entertainers America has ever known and Jessie Rae Taylor, character comedian, an original and unique artist in portrayals of quaint male characters and side splitting character songs. That will be a great day out at Nichols Park, but it is only one of ten great days. You will need a season ticket!

ZEPHYR makes kitchen work easier

THERE'S a lot less fuss and worry when Zephyr is on the job. Somehow the baking is no task at all with this pure and snow-white flour to help you turn out the steaming brown loaves of bread, pans of fluffy biscuits and the golden-crustied pies. Just try the first sack; then you'll know why—

It's worth the difference

MARKET PRICES

STOOD UP WELL

NEW YORK, Aug. 2.—Prices
in the stock market stood up well
today in the face of conditions
which hardly could be regarded
as encouraging. Rejection by the
railway executives of President
Harding's strike plan and publi-
cation of Great Britain's note on
international indebtedness made
for increased bearish sentiment
but strong support set in when
this began to assert itself.
Early prices were generally but
not markedly lower, a sharp-
ly offsetting initial decline.
The recovery held until well
toward the close when short pres-
sure was direct against shipping
and some rail and oil shares
which resulted in some irregular-
ity. An accumulation of buying
orders made its appearance just
before the close and a number of
the standard issues closed sub-
stantially higher.

Car loadings of revenue freight
for the week ending July 22 to-
talled 861,124 cars an increase
of 217 over the preceding week
and an increase of 73,000 over
the corresponding week last year.
Omitting coal loadings which to-
talled 76,060 cars or 12.74 less
than the week before, the total
loadings were the heaviest for
this season of the year in the
history of American railroads.

Weekly iron and steel reviews
of continued pessimistic in tone
as the result of the fuel short-
age in that industry. The steel
corporation's plants are reported
to have fallen back to 70 per cent
of capacity operations as com-
pared with 76 per cent during
July and independent plants
have fallen below the sixty per
cent level. Total sales were 550,
000 shares.

Call money opened at 4 per
cent and advanced to 5 per cent
in the final hour when the de-
mand became heavier. Time
money rates virtually were un-
changed. The decline of the Ger-
man mark to another new low
level again caused the foreign
exchange market, other European
remittances declining in sym-
pathy but rallied later.

Liberty 3 1/2s rose to \$101.26 or
4 cents above the previous high
for the year.

Total bond sales (par value)
approximated \$12,681,000.

SPECIAL ASSESSMENT NOTICE
Notice is hereby given to all
persons interested that the City
Council of the City of Jack-
sonville, Illinois, having ordered
the local improvement, consisting
of a street pavement, be con-
structed on East Morton Avenue in said
city, from the east curb line of
South Hardin Avenue, running
thence east along said avenue for
a distance of 1000 feet, which said
pavement shall be constructed in
accordance with the plans plat-
ed and profiles on file in the office
of the City Clerk of said city, and
which said improvement shall con-
sist of a concrete pavement seven
inches in thickness; all of which
is further shown and more par-
ticularly described in the plans
profiles and specifications for
said work on file in the office
of the City Clerk of said city, to
which reference is hereby made,
the ordinance for the same being
on file in the office of the City
Clerk of said city, and also made
a part of the petition in this pro-
ceeding, and said City of Jack-
sonville, Illinois, having applied
to the County Court of Morgan
County, Illinois, for an assessment
of the cost of said improvement,
according to benefits, said assess-
ment being payable in ten install-
ments, each bearing interest at
the rate of six per cent per annum,
an assessment therefor having
been made and returned to said
court, the final hearing thereon
will be had on the 17th day of
August, A. D. 1922, at the hour of
ten o'clock A. M., or as soon there-
after as the business of the Court
will permit.

All persons desiring may file ob-
jections in said court before said
date, and may appear at the hear-
ing and make their defense. Dat-
ed at Jacksonville, Illinois, July
31st, A. D. 1922.

EARL P. WISWELL, Appoint-
ed to make said assessment.

WHEAT MARKET
WEAK AT CLOSE
By Associated Press.
CHICAGO, Aug. 2.—Altho un-
certainty over the rail and coal
strikes tended to lift prices a lit-
tle in the wheat market today de-
clines at the last resulted from
attempts at profit taking on the
part of traders who had bought
earlier. The close was weak at
1c net lower, with Sept. 1.05 1/2
to \$1.05 1/2 and December 1.07 1/2
to \$1.07 1/2. Corn lost 1/4 to 1 1/2c
and oats 1/4 to 1/2c. In provisions,
the outcome varied from 7 cents
decline to 5 cents advance.

New buying power appeared to
be lacking in the wheat market
when efforts to realize profits be-
came somewhat general near the
end of the day. There had previ-
ously been some revival of export
buying here estimated at 600,000
bushels, but the business appear-
ed to have been done at conces-
sions. Furthermore, gossip was
current that Great Britain and
other trans-Atlantic countries
were reselling and but slight im-
provement was noted in the do-
mestic demand.

Complaints of car shortage
which were exploited by bulls
failed to make much impression
in view of the fact that wheat re-
ceipts today at primary centers
were 600,000 bushels in excess of
the total a year ago. Apparently
because of the rail and coal
strikes the country seemed to
fear offering wheat to arrive and
fear acceptance of bids from
here were light. On the other
hand the late weakness of stocks
and cotton, together with a new
smash in German marks, evident-
ly were influential as a deterrent
to wheat buyers here.

Prospects of better weather
southwest as well as slowness of
cash demand weakened the corn
market.

Oats were neglected.
Lard reflected the bullish in-
fluence of a decrease in ware-
house stock here. Otherwise the
provision market was governed
by changes in the value of hogs.

WHEAT MARKET

WEAK AT CLOSE

CHICAGO, Aug. 2.—Altho un-
certainty over the rail and coal
strikes tended to lift prices a lit-
tle in the wheat market today de-
clines at the last resulted from
attempts at profit taking on the
part of traders who had bought
earlier. The close was weak at
1c net lower, with Sept. 1.05 1/2
to \$1.05 1/2 and December 1.07 1/2
to \$1.07 1/2. Corn lost 1/4 to 1 1/2c
and oats 1/4 to 1/2c. In provisions,
the outcome varied from 7 cents
decline to 5 cents advance.

New buying power appeared to
be lacking in the wheat market
when efforts to realize profits be-
came somewhat general near the
end of the day. There had previ-
ously been some revival of export
buying here estimated at 600,000
bushels, but the business appear-
ed to have been done at conces-
sions. Furthermore, gossip was
current that Great Britain and
other trans-Atlantic countries
were reselling and but slight im-
provement was noted in the do-
mestic demand.

Complaints of car shortage
which were exploited by bulls
failed to make much impression
in view of the fact that wheat re-
ceipts today at primary centers
were 600,000 bushels in excess of
the total a year ago. Apparently
because of the rail and coal
strikes the country seemed to
fear offering wheat to arrive and
fear acceptance of bids from
here were light. On the other
hand the late weakness of stocks
and cotton, together with a new
smash in German marks, evident-<

MRS. LIPPINCOTT'S LIFE JOURNEY IS CLOSED

Death Came at An Early Hour Wednesday Morning to Long Time Resident of the City.

It is an unusual thing to spend one's whole life under the same roof, but this is the record of Mrs. Julian P. Lippincott, whose death occurred at 3 o'clock Wednesday morning at the family home, 1120 West College avenue. Mrs. Lippincott was born in that very home about seventy-two years ago. There she was married and in all the after years it was still her home.

The deceased was a daughter of Dr. and Mrs. Samuel Adams, long prominent in the literary and educational life of Jacksonville. They brought with them here the strength of New England character and the culture of the east. Their high ideals were maintained in all the after years and Mrs. Lippincott was true to her wealth of inheritance.

Dr. Adams came to a post on the faculty of Illinois college from Bucksport, Maine, where for several years he had practiced medicine with his father-in-law, Dr. Moulton. He entered this professional work after completing his course at Bowdoin college. In that institution he had the advantage of tutelage by Henry Wadsworth Longfellow, and some other men of almost equal literary prominence. He brought to the college here something of the atmosphere of the institution where he had received a part of his own education, and thru all the earlier years of the college on the hill was an outstanding figure.

Mrs. Adams because of the untold conditions in the west did not accompany her husband on his initial trip. A few months afterward he sent for her and she began the journey which took several weeks in its accomplishment. Their household goods went by steamer from Boston to New Orleans and then up the Mississippi river, did not reach Naples until almost six months after the original consignment.

Dr. and Mrs. Adams established their home first in the building on the college campus now used as the students' club house. There they lived for several years and in 1847 Dr. Adams drew the plans and supervised the construction of a dwelling on West College avenue overlooking the campus from the north, the Lippincott home of today.

Members of the family included Marietta, later the wife of Robert K. Whitely, of Brainard, Minn.; Franklin Adams, who entered the Civil war as a private and was mustered out a captain and who died a few years later after serving with the engineering corps of the Union Pacific road; Emily, the wife of Alfred Richmond of Claremont, Calif.; and Clara Moulton who, on March 12, 1874, became the bride of Julian P. Lippincott.

Following the deaths of Dr. and Mrs. Adams and the removal of other members of the family, the ownership of the old home passed to Mr. and Mrs. Lippincott and there they have spent all the years of their married life. Theirs has been a companionship of unusual intimacy. Similar in ideals, tastes and temperament, they have journeyed along life's highway hand in hand and in perfect sympathy. That devotion has continued from that wedding day back in 1874, until the very present.

Thirteen years ago Mrs. Lippincott suffered an accident which caused a partial physical disability, and the period of semi-invalidism but served to further emphasize the fitness of her courageous spirit. In recent months there has been still further illness, and the final hour came as a direct result of heart disease.

Mrs. Lippincott's sisters and brothers all passed on several years ago and she is survived by her husband of this city, two daughters and one son, Mrs. B. W. Stone of Arizona; Dr. William A. Lippincott of Manhattan, Kansas; and Mrs. H. E. Smith of Dover, Montana.

In the earlier years of her life Mrs. Lippincott became a member of the Congregational church and her interest of an active kind was maintained in various departments of church work until the days of partial physical disability came. Even so, almost each Sunday found her in the family pew, always an earnest and sympathetic listener. She was educated in the public schools of Jacksonville, the Jacksonville Female academy and the Athenaeum. The studies of the school days were supplemented in the after years both by travel and extensive reading, and she came to be in the best sense a woman of wide culture.

Along with literary tastes, Mrs. Lippincott had musical ability and older residents remember her as of beautiful voice and excellent knowledge of piano and organ. With other young women of her day she aided with the music at Bethel A. M. E. church and had recently accepted an invitation to be present at a service next Sunday when a program in observance of a 52nd anniversary is to be presented.

The deceased became a member of the Wednesday class soon after that organization came into existence and continued an active worker until recent years. She was also a member of Rev. James Caldwell chapter D. A. R.

The death of Mrs. Lippincott marks the passing of the last member of a family that thru the years made large and valuable contribution to the religious, cultural and educational life of Jacksonville.

Arrangements for the funeral will be announced later.

FORMER RESIDENT DIES IN ALABAMA

Miss Elizabeth Sturtevant Passes Away—Burial Will Be Made Here.

J. A. Palmer of Caldwell street received word yesterday of the death of his aunt Miss Elizabeth Sturtevant of Kushla, Alabama. The lady passed away yesterday at the age of eighty years. She was a daughter of Julian M. Sturtevant, one of the early presidents of Illinois college and one of the prominent early educators of the west. The deceased's family was one of the first to come to Jacksonville and has been prominent thruout the history of the city.

Miss Sturtevant and her sister Miss Lucy Sturtevant moved from Jacksonville to Kushla, Ala., about fifteen years ago, to be with their brother Alfred H. Sturtevant. She is survived by the above named brother and sister. Miss Lucy Sturtevant will accompany the body to this city where burial will be made, and will arrive Friday noon.

Onno V. Walters, formerly principal of the high school at Bluffs, was in the city yesterday enroute to his home in Macomb after a summer course at the University of Illinois.

Mrs. Helen Holben, who has been visiting her parents in this city, has returned to her home in Los Angeles, California. She was formerly Miss Helen Ellis of this city.

ASPHALT PAVING WORK TO BEGIN

Equipment of Standard Paving Company Has Been Shipped From Chicago—Reach Agreement on Webster Avenue Work.

The full equipment for asphalt paving work has been shipped from Chicago by the Standard Paving Co., according to a statement made here yesterday by G. W. Thatcher, vice president of the company. A sub-contractor has been at work here for the past two or three weeks putting in the curb and gutter on the West State street extension and Jordan street. This work has been practically completed and the equipment will probably be moved to Webster avenue, where the paving between West State street and West College avenue is proposed without court proceedings.

This paving is to be by agreement between the property owners W. A. Jenkinson, J. F. Berry and the State School for the Deaf, represented by Col. O. C. Smith. The state, Mr. Jenkinson and Mr. Berry own the entire frontage.

Mr. Thatcher is expecting to place an asphalt plant on the C. & A. property near Illinois avenue. He will employ a large crew of men and the work will be pushed along just as rapidly as possible.

Viriden Annual Picnic, on Wednesday, August 9th.

WHITE HALL

WHITE HALL, Aug. 2.—Corn and vegetation in general received benefit from the general rain that swept this section Saturday night, accompanied by the most violent lightning that caused no damage in the vicinity of White Hall. The rainfall amounted to 0.59 of an inch. Before it came much vegetation was reaching the perishing stage, and corn, while by no means fully recovered, was benefited to a considerable extent. The total rainfall for the month of July, according to the monthly report of R. B. Pearce, weather clerk at White Hall, was 1.95 inches, which is 0.87 of an inch less than normal. Thunder storms occurred on the 23rd and 30th. There were eight days with precipitation of 0.01 inch or more, 16 clear, 9 partly cloudy and 6 cloudy days. The greatest rainfall in 24 hours was 0.59 inch on the 30th.

In temperature the mean maximum 63.6 and mean 75.8, the mean 3.2 degrees higher than normal. The highest reading was 97 on the 9th, and the lowest 49 on the 4th. The greatest daily range was 35.

July followed a dry June with only 1.05 inches of rain, against a June normal rainfall of 2.74 inches.

Benton News Notes.

Benton Reynolds, an old resident of White Hall, celebrated his 74th birthday anniversary Sunday by a family gathering at his home in Greenfield, where he has resided for the past six years, following a residence of five years in Chicago, having left White Hall eleven years ago. He has been blind for the past year, and this has an untoward influence on a very active man, yet his way is made pleasant even under such circumstances by the devotion of his valued life companion. Their five children are Mrs. Pernal Batty of Roodhouse, Mrs. Isaac Axley of White Hall, Bert of St. Louis, Emmett of Chicago and Mrs. Belle Wyatt of Greenfield. The aged couple are making their home alone since locating in Greenfield.

Charles Jones, superintendent of the Jones cemetery, five miles east of White Hall, was in town Monday to complete arrangements for marking every soldier grave in that cemetery. He says there are 23 such graves, and that only two of them are marked. He says that with government markers over each grave, such as has been practically been carried out in the White Hall cemetery, it will be possible for any person to visit the cemetery on Decoration Day or any other time and readily pick out the grave of every soldier buried there. He will complete the data at once to place the Jones cemetery in this shape. Many graves in the Jones cemetery date back to the early thirties.

Jacksonville Lodge No. 570 A. F. & A. M. will hold a stated meeting to night at 7:30 o'clock. Visiting Brethren welcome.
